HOW DOES A HOME WARRANTY PROTECT YOU?

You're covered for life's big emergencies—fire, theft, severe weather damage—by your homeowners insurance policy. But can you relax when it comes to everyday disasters? Your appliances and plumbing, electrical and heating/cooling systems have limited lifespans due to normal wear and tear. A Home Warranty of America plan **helps reduce your out-of-pocket repair and replacement costs** for essential home systems—and gives you **peace of mind**.

FAQs

- Q. What's the difference between a home warranty and homeowners insurance?
- A. **A home warranty is designed to apply when your home's covered appliances and systems break down due to normal wear and tear. That's different from homeowners insurance, which pays for damages and losses caused by unexpected events such as fire and weather damage—but won't help if your washing machine breaks down.**
- Q. Are there dollar coverage limits on covered items?
- A. **Yes—these are clearly outlined in your contract. You'll find limits on covered items such as heating and cooling systems, water heaters, alarm systems, etc.**
- Q. Are the service technicians licensed?
- A. **Yes! The network of servicers are a fully vetted and background screened group of service companies.**
- Q. Is there a wait period to file a claim?
- A. **No! HWA real estate plans do not include a waiting period.**
- Q. How do I file a claim?
- A. **Filing a claim is easy. Go to [HWAHomeWarranty.com](https://www.HWAHomeWarranty.com) and click the File a Claim button on the home page, or call 888-492-7359 and select option 2.**
- Q. When do I pay my Trade Call Fee?
- A. **The Trade Call Fee is collected at the time service is scheduled.**
- Q. What if I cancel my claim/service? How do I get a refund for my Trade Call Fee?
- A. **If you need to cancel your claim you can call us directly and request a refund for your Trade Call Fee. You can receive a full refund as long as a service provider has not been onsite to repair or start repair on the claim item.**

A SELLER'S HOME WARRANTY BENEFITS EVERYONE—HERE'S WHY:

When it's time to sell your home, you need everything to be in good working order. After all, no one notices a leaky pipe or other home issue faster than a prospective buyer. A seller's home warranty can make it easier to fix covered issues quickly—and keep buyers from moving on to the next listing.

The benefits of taking advantage of free coverage during the listing period, and offering a home warranty to the new buyers include:

- May help you sell your home faster by reducing apprehension from buyers' minds
- Makes it easier to respond to price objections brought on by aged systems or home inspection surprises
- May reduce the chance of post-sale repair disputes by giving buyers peace of mind

We've Got You Covered

This coverage is free during the listing period for up to six months, with the option to extend for up to 12 months (\$1,500 limit). The coverage transfers to the buyer post-sale, so it's a win-win.
